Patient Responsibility Form

1. The patient is responsible for providing Lakeview Healthcare Systems with the most correct, active, and up to date information about their insurance prior to each visit.
2. Lakeview Healthcare Systems will bill to the insurance most recently provided by the patient. If information given by the patient is inaccurate and the insurance denies the claim, the patient will be responsible for the balance of the visit. Please be aware that with some insurance companies there are timely filing deadlines and providing correct information at time of service is critical. Timely filing means the patient’s insurance plan may not pay the claim after a certain amount of time after the service.
3. Patients are responsible for the payment of co-pays at the time of service.
4. Patients are responsible for paying any applicable co-insurance, deductibles and all other procedures or treatment not covered by their insurance plan.
5. Lakeview Healthcare Systems is not responsible for knowing what each individual insurance plan does or does not cover. If the patient has questions about their plan and what services are covered, they should contact their health insurance company.
6. In the event a patient’s health plan determines a service to be “not payable”, the patient will be responsible for the complete charge and agree to pay the costs of all services provided.
7. Patients have the right to check with their insurance about coverage before receiving any service provided Lakeview Healthcare Systems
8. The patient’s health insurance policy is a contract between the patient and their Health Insurance Company or employer. It is the patient’s responsibility to know if their insurance has specific rules or regulations, such as the need for referrals, pre-certifications, pre-authorizations, and limits on outpatient charges regardless of whether our physicians participate.
9. The patient is responsible for knowing if our doctor is in-network with their insurance plan and if the services are covered. Any balances applied to an out of network rate will be the responsibility of the patient to pay.
10. If the patient is uninsured, the patient agrees to pay for the medical services rendered to them at the time of service.
11. Medicare may not cover some of the services that the patient’s doctor recommends. The patient will be informed ahead of time and given an Advanced Beneficiary Notice (ABN) to read and sign. The ABN will help the patient decide whether they want to receive services, knowing they may be responsible for payment. Patients should read the ABN carefully.
12. The patient agrees that in return for the services provided to them by Lakeview Healthcare Systems, they will pay their account at the time service is rendered or upon insurance claim processing- If a payment plan is necessary, the patient understands that the agreement is for past due balances only, and that all future co-payments, co-insurances and/or deductibles, are due at the time of service. If copayments, co-insurances and/or deductibles are assigned by the patient’s insurance company or health plan, they agree to pay them to Lakeview Healthcare Systems.

Worker’s Compensation and Automobile Claims

Lakeview Healthcare Systems *does not* accept and/or file workers comp or auto claims.

I have read the above and understand the contents of this form. I have been given the opportunity to ask any questions and I am satisfied with my current knowledge regarding Lakeview Healthcare Systems policies regarding patient responsibilities.
